

## Nursery Home Learning Timetable!

Below is a timetable of activities we will be posting onto ClassDojo while school is sadly closed.

### Monday

A video of us reading our Traditional Tale of the week and some special Traditional Tale challenges!

### Tuesday-Friday

Am: Phonics/Maths activity (alternate days)

PM: Dough Disco/Physical activity

When we return to school we will be giving out special certificates to all children for participating in the challenges.

We would love to see photographs or hear about how the children are getting on. Please keep in touch over ClassDojo and remember that we are always here if you need anything.
