

Summer Term

Together We Make A Difference

How can we be heading into the final half term of the academic year already?

It was an incredibly busy half term last half term with one thing and another and it was amazing to see the smiles and happiness on children's faces as we have finally been able to take part in competitions, school visits and the first ever Year 4 residential. Better still, you as families, could join us to celebrate your child/children's successes in school.

A massive well done to everyone in Year 2 and Year 6 who made it through their SATs weeks. You should all be incredibly proud of yourselves whatever the outcome. You worked relentlessly in a very short space of time to prepare and never once did you give in!

We're now stepping into the final stretch of this academic year and the fun will just continue with our school sports week, sports day, Year 6 leavers and residential and more trips and visits for children across school.

Thank you to everyone, staff, children and families for your continued support!

QUEEN'S JUBILEE CELEBRATIONS!

What a way to end the half term!

Art Work and cakes produced by classes were incredible!

Children worked collaboratively to plan, design and make everything and the outcomes were incredible.

A huge thank you and well done to everyone in school both staff and children.

Coming together as a team to celebrate at the end of the week with our 'Whole School Street Party' was a great way to end the half term. Children were an absolute credit as they spent the afternoon helping one another and taking part in the various activities available - throwing sponges at myself, Mr Miller and Mr Davenport in the stocks, splat the rat, hoopla, photo booth and lots more.

Our visitors in school complemented the behaviour and outcomes and said it was a pleasure to visit and see the things happening in school.

BREAK UP FOR SUMMER!

REMINDER TO FAMILIES!

Smoking: Could I please ask that families do not smoke on the school premises, this includes the use of Vapes on the playground.

Dogs: Please ensure that where dogs come onto the school grounds they are carried. There have been a number of occasions where dog mess has been found and had to be cleaned up by staff in school.
