

Growing

Develop pupil's appreciation of how technology presents opportunities to create, manage and organise information.

For pupils to be confident and computer literate, using different hardware and software.

Resilient

To equip pupils with the confidence and capability to use Computing throughout their later life.

To provide pupils with opportunity to develop and apply problem solving skills and logic.

Head, Heart, Hands

To instil a sense of enjoyment around using technology whilst developing an understanding of how to use Computing safely and responsibly.

Computing INTENT

Opportunities

To enhance learning in other areas of the curriculum using Computing.

To provide pupils with the necessary resources required to fully access a computing curriculum in the 21st Century.

Team Work

To encourage pupils to be responsible online citizens, respecting others and themselves.

For pupils to know how technology presents opportunities for collaborative working, as well as the positives and drawbacks.

Wonder

To provide pupils with opportunity to experience, understand and respond to new developments in technology and how these are applied in real life contexts.
