

Challenge for all.....

- Design and create a poster to promote our school values
- Can you include examples of how you can promote these values (examples are given below)?

You can use picture, photographs of yourself, words and phrases to design your poster.

Respectful: saying please and thank you, listening when you are asked to do something the first time

Optimistic: always try your best even when it feels like a mountain to climb

Enthusiastic: never give up and put in 100% to everything

Friendly: helping a friend or somebody who may be hurt, using kind words

Achieve: attempting to climb the mountain even if you think you can't and succeeding

Ready: always remember my homework, reading book, PE kit, being in the right school uniform

Motivated: always trying my best and willing to have a go

- You might just want to choose one of the values to design your poster, it doesn't have to be all of them.

Please hand all posters in to your class teacher by Tuesday 17th September 2019.

The winning posters will be selected and prizes will be awarded.
